

PRESENTS **2014 MASTERING HMDA**

A one-day seminar providing a comprehensive review of the Home Mortgage Disclosure Act and the Consumer Financial Protection Bureau's Regulation C.

A one-day seminar providing a comprehensive review of the Home Mortgage Disclosure Act and the Consumer Financial Protection Bureau's Regulation C. Whether you are new to HMDA or have been reporting for years, you will receive benefits from this seminar's practical, "real world" approach to HMDA compliance.

HMDA poses challenges to both novice and experienced reporters. With increased regulatory scrutiny of HMDA data for fair lending purposes and the potential penalties associated

with technical errors, it is crucial for an institution's HMDA data gathering and reporting process to be precise.

The Mastering HMDA seminar provides a comprehensive discussion of the regulations and explanations of common errors and violations. Throughout the presentation, the instructor discusses relevant Frequently Asked Questions (FAQs) published by the regulators and questions received from PBS' call-in service. The seminar provides the attendee the opportunity to get practical answers to their recurring questions.

Who Should Attend

Anyone involved in HMDA data collection and/or reporting will benefit from this program. Loan processors, trainers, compliance officers, and auditors will also find this seminar to be informative. No advance preparation is required. **Program Level: Intermediate**

The Manual

The Mastering HMDA manual provides a comprehensive, yet easy-to-follow, explanation of definitions, coverage, exemptions and filing requirements. Details are provided in a straightforward, user-friendly format. The manual becomes a valuable resource your institution can refer to after the seminar, either as a refresher for information covered during the program or for information such as web links and telephone numbers to contact federal regulatory authorities about HMDA.
